KELTRUCK: YOUR USED SCANIA SPECIALIST

When it comes to selecting the used vehicle that's right for you, Keltruck can help – for our used vehicle programme is dedicated to providing you with the best quality used trucks on the market and removing as much doubt as possible from the equation.

A comprehensive selection of Scania used trucks are on display at our West Bromwich, Burton on Trent and Newark used vehicle sales sites.

THE LARGEST SELECTION IN THE UK

As well as the largest selection of used Scania vehicles in the UK, we also have access to the Scania Great Britain central stock of up to 250 vehicles. Complete second hand vehicles along with recycled parts (used and reconditioned Scania cabs, parts and assemblies) can be prepared to meet your import requirements and regulations. With customers in Europe, Africa, South Africa, the Caribbean, the Middle East, the Far East and Australasia, we have the experience to arrange delivery Carriage, Insurance and Freight (CIF) or Free on Board (FOB).
